

KIMBERLEY PARK STATE SCHOOL

Every child successful, ready for the future

WEEKLY NOTICES

WEEK 1

Monday 20th April – Friday 24th April

TERM 2, 2020

A NOTE FROM OUR ADMINISTRATION

Welcome back to Term 2

- The main aim of the first week will be for students to familiarise themselves with the online learning platforms of Showbie (Prep – Year 4 & Year 6) and One Note (Year 5). If students have not received their Showbie logon details by Monday morning, it means that the consent form that was emailed out at the end of Term One has not been filled in and sent back to school. As soon as this is done, logons can be created. The Consent and Information Forms are found in the support & resources tab, under documents and forms.
- Class teachers will be communicating with families and giving clarity around specific class expectations in the coming week.
- The Principal's letter provides important and explicit information this can be found in the support & resources tab, under documents and forms.

A NOTE FROM OUR SCHOOL OFFICE

- Class rolls will be marked every day.
- Please ring the Student Absence Line if your child is unwell and so will not be engaging in learning for the day. **This applies to children of essential workers who are being supervised on campus, as well as the home learning students.**

WELLBEING & MINDFULNESS

PREP-2 Resources

During the last week of Term 1, many families enjoyed our Facebook posts about our 'KP Bears'. This week we're inviting you to join in the ['Bear Hunt'](#) (click the blue link on the left). When you are out exercising around your neighbourhood, keep your eyes peeled for bears in the windows of houses. Join in the fun by displaying your bears for your neighbours to spot! Listen to the story ['We're going on a bear hunt'](#) (click the blue link on the left). *Take a photo of your display or what you find and upload it to your SHOWBIE to show your teacher.*

3 - 6 Resources

During these difficult times of self-isolation, [Rainbow Trail](#) (click the blue link on the left) is creating a way for kids to be creative and find other's creations on their walks. All you have to do is create Rainbow pictures and stick them in your window for children to find on walks especially during this hard time of self isolation. *Take a photo of your display or what you find and upload it to your SHOWBIE to show your teacher.*

SPECIAL EVENTS THIS WEEK

K.P. commemorates Anzac Day next week as we reflect on the sacrifices made by those brave men and women who served and continue to serve to protect us all.

For the first time this year, K.P. will hold a **remote School Anzac Ceremony**. We invite families to join us for this special online event scheduled for next **Friday, 24 April**, (more details to follow). Families may also wish to join the R.S.L. Anzac Day event called [Light Up The Dawn](#), (click on the blue link for more details).

Some Anzac Day activities that you can create from home include [handmade wreaths](#) (click the blue link on the left), poppies, lanterns, Anzac Day drawings or even bake some Anzac biscuits. Decorating your letterbox with an Anzac theme may be another way to include your community in your special commemoration. Many online resources are also available that celebrate the Anzac spirit.

PREP-2 Resources

Anzac Ted Read Aloud

Click on Anzac Ted above to hear the moving story of a very special bear.

Year 3- 6 Resources

Alfred's War Read Aloud

Click on Alfred's War above to hear an Anzac story from a soldier's perspective.

ACTIVE COPING CALENDAR: APRIL 2020

- 20** Make time for self-care. Do something kind for yourself
- 21** Send a letter or message to someone you can't be with
- 22** Find positive stories in the news and share these with others
- 23** Have a tech-free day. Stop scrolling and turn off the news
- 24** Put your worries into perspective and try to let them go

- WATCH THIS SPACE... NEXT WEEK WE WILL BE FOCUSING ON ONE OF OUR WONDERFUL KPSS TEACHING TEAMS.

TIPS FOR LEARNING AT HOME

- Create a schedule** - it is important to maintain structure and routine but do allow for a little flexibility.
- Organise a suitable workspace** - ensure it is safe and comfortable, free from distractions and is organised with all your child's learning needs.
- Make behaviour guidelines and expectations for learning time** - ensure the expectations are what you want to see. Working in correct area, using equipment safely, learner behaviour ie: listening, watching and doing - Be Safe, Be Respectful, Be a Learner.
- Stay connected with your child/children's teacher.**
- Be kind to yourself, enjoy family time and look after each other.**
