## Application to enrol in a Queensland state school

This sheet contains information on how to complete the Application for student enrolment form (SEF-1 Version 8).

### Entitlement to enrolment

Under the *Education (General Provisions) Act 2006 (Qld)* a state school must enrol a prospective student if they are entitled to enrolment. While not exhaustive, the following matters may affect a prospective student's entitlement to enrol in a state school:

- if the school has a School Enrolment Management Plan or an Enrolment Eligibility Plan (enrolment is subject to eligibility under the plan)
- the applicant is a prospective mature age student (the applicant can only apply for enrolment at a mature age state school and will be subject to a satisfactory criminal history check, or as a student in a program of distance education. All prospective mature age students must have a remaining allocation of state education.)
- the prospective student is not of correct age for enrolment (relates to Preparatory Year and Years 1 to 6)
- the prospective student has been excluded, or is subject to suspension from a state school at the time of the application
- the school principal reasonably believes that the prospective student presents an unacceptable risk to the safety or wellbeing of members of the school community (application is referred to the Director-General)
- the school is a state special school and the prospective student does not meet the criteria for enrolment in a special school
- the proposed enrolment requires approval as part of a flexible arrangement under s.183 of the *Education (General Provisions) Act 2006 (Qld)*, and the arrangement has not yet been approved
- the prospective student is not an Australian resident or citizen or the child of an Australian permanent resident or citizen (visa restrictions may apply, fees may be charged, in some cases legislation requires that the prospective student must obtain approval from the Chief Executive via Education Queensland International (EQI) to enrol)
- the school does not offer the year level that the prospective student should be enrolled in
- the prospective student has no remaining semester allocation of state education. Enrolment cannot proceed until additional semesters are applied for by the prospective student (or parent on their behalf) and granted.

### Prospective student

A prospective student is a person who has applied to enrol at a state school but who has not yet been accepted for enrolment.

### Parent's occupation and education

All parents across Australia, no matter which school their child attends, are asked to provide information about family background (answering this question is optional). The main purpose of collecting this information is to promote an education system which is fair for all Australian students regardless of their background.

### Court Orders

Any court orders concerning the prospective student's welfare, safety or parenting arrangements should be provided to the school, and the school should also be provided with any new or updated orders.

### Name on enrolment form

A prospective student should be enrolled under their legal name as per their birth certificate. There is provision to also record a preferred family and/or given name. The preferred name will be used on internal school documents such as class rolls. The legal name will appear on semester reports unless there is a specific request to use the preferred name only. This request can come from parents/carers or the student (if the student is independent/mature age).

### Gender

Information about gender is supplied to the Federal Government to comply with State funding agreements. The gender category with which a person identifies may not match the sex they were assigned at birth. There is no requirement for a student's gender recorded on this form to align with the sex shown on their birth certificate or passport.

### Religious Instruction

Religious instruction is a program approved and provided by a religious denomination or religious society. Other instruction relates to part of a subject area that has been covered within the curriculum and may include, but is not limited to, personal research and/or assignments, revision of class work, and wider reading. Information about religious instruction available at the school, and about other instruction, is provided by the school at the time of enrolment and on the school's website.

### Internet Access Agreement

In accordance with Education Queensland policy, students are required to complete an Internet Access Agreement, as shown below, if they wish to use the internet/email/information technology resources at school.

#### STUDENT

I understand the internet can connect me to a very useful information store from around the world.

Guidelines for the use of the school's intranet/internet/email:

- I will use it only for education purposes;
- I will not look for, send, store anything that is illegal, dangerous or offensive. I will clear any offensive pictures or information from my screen and immediately and quietly inform my teacher;
- I will not attempt to obscure the origin of any message or download material under an assumed internet address or another identity;
- I will not knowingly obtain unauthorised access to information or damage, delete, insert or otherwise alter such information with malicious intent;
- I will not arrange to meet anyone who I have made contact with through the internet without my parent/guardian's permission;
- I will not share any passwords.

I agree that:

I will use information technology resources appropriately and legally as detailed above; I will take care of information technology resources; I will not eat or drink near any school owned information technology equipment; I will not damage information technology equipment or furniture; I will not attempt to break copyright (eg by illegally copying software, music, images or videos); I will not use information technology equipment to bully or harass others; I will not access/use social media apps/sites inappropriately or to bully or harass others.

Student Signature: \_\_\_\_\_ Date: \_\_\_\_ / \_\_\_\_ / \_\_\_\_

#### PARENT

I understand the internet can provide students with valuable learning lessons.

I also understand it gives access to information on sites around the world; the school cannot control what is on sites; and that a very small part of that can be illegal, dangerous or offensive.

I accept that, while teachers will always exercise their duty of care, protection against exposure to harmful information should depend finally upon responsible use by students.

I believe \_\_\_\_\_ [student name] understands this responsibility and I hereby give my permission for them to access the internet and other information technology equipment under the school rules. I understand students breaking those rules will be subject to appropriate action by the school. This may include loss of access privileges to all information technology resources, detentions or suspensions, depending on the nature of the incident.

## **Introduction to the State School Consent Form for Kimberley Park State School**

This letter is to inform you about how we will use your child's personal information and student materials. It outlines:

- What information we record;
- How we will use student materials created during your child's enrolment.

Examples of personal information which may be used and disclosed (subject to consent) include parent of a person's name, image/photograph, voice/video recording or year level. Your child's student materials:

- Are created by your child whether as an individual or part of a team
- May identify each person who contributed to the creation
- May represent Indigenous knowledge or culture.

### **Purpose of the consent**

It is the school's usual practice to take photographs or record images of students and occasionally to publish limited personal information and student materials for the purpose of celebrating student achievement and promoting the school and more broadly celebrating Queensland education.

To achieve this, the school may use newsletters, its website, traditional media, social media or other new media as listed in the 'Media Sources' section below.

The State School Consent Form may, at your discretion, provide consent for personal information and a license for the student materials to be published online or in other public forums. It also allows your child's personal information and student materials to be presented in part or alongside other students' achievements.

The school needs to receive consent in writing before it uses or discloses your child's personal information or student materials in a public forum. The attached form is a record of the consent provided.

It should be noted that in some instances the school may be required by the Education (General Provisions) Act 206 (Qld) or by law to record, use or disclose the student's personal information or materials without consent (e.g. assessment of student materials does not require further consent).

### **Voluntary**

There will not be any negative repercussions for not completing the State School Consent Form or for giving limited consent. All students will continue to receive their education regardless of whether consent is given or not.

### **Consent may be limited or withdrawn**

Consent may be limited or withdrawn at any time by you.

If you wish to limit or withdraw consent please notify the school in writing (by email or letter). The school will confirm the receipt of your request via email if you provide an email address.

If in doubt, the school may treat a notice to limit consent as a comprehensive withdrawal of consent until the limit is clarified to the school's satisfaction.

Due to the nature of the internet and social media (which distributes and copies information), it may not be possible for all copies of information (including images of student materials) once published by consent, to be deleted or restricted from use.

The school may take down content that is under its direct control, however, published information and materials cannot be deleted and the school is under no obligation to communicate changes to consent with other entities/third parties.

### **Media sources used**

Following is a list of online and social media websites and traditional media sources where the school may publish your child's personal information or student materials subject to your consent.

- School website: [www.kimberleyparkss.eq.edu.au](http://www.kimberleyparkss.eq.edu.au)
- Facebook: [www.facebook.com/KimberleyParkSS](https://www.facebook.com/KimberleyParkSS)
- School newsletter
- Traditional and online media, printed materials, digital platforms' promotional materials, presentations and displays.

The State School Consent Form does not extend to P&C run social media accounts or activities, or external organisations.

### **Duration**

The consent applies for the period of enrolment or another period as stated in the State School Consent Form, or until you decide to limit or withdraw your consent.

During the school year there may be circumstances where the school or Department of Education may seek additional consent.

### **Who to contact**

Student personal information collected on this form may also be used or disclosed to third parties where authorised or required by law. This information will be stored securely. ## Introduction to the Online Services Consent Form for Kimberley Park State School

Our school uses tools and resources to support student learning, including third party (non-departmental) online services hosted and managed outside of the Department of Education network.

Online services, including websites, web applications, and mobile applications, are delivered over the internet or require internet connectivity. Examples may include interactive learning sites and games, online collaboration and communication tools, web-based publishing and design tools, learning management systems, and file storage and collaboration services.

This letter is to inform you about the third-party online services used in our school and how your child's information, including personal information and works, may be recorded, used, disclosed, and published to the services (if you provide your consent for this to occur).

The Online Services Consent Form is a record of the consent provided.

### **About the online services**

After evaluation, the principal has deemed specific third-party online services appropriate for school use. These online services are listed on the consent form.

Third party online service providers are external to the school, and the services may be hosted onshore in Australia or offshore outside of Australia. Data that is entered into offshore services may not be subject to Australian privacy laws. When considering whether to provide your consent, we encourage you to read the information provided about each online service, including the *terms of use* and *privacy policy*, which outline how information and works will be used and under what circumstances they may be shared.

#### *Student information*

The consent collected by the form covers both student personal information (e.g. name, date of birth) and school-based information (e.g., student username, email, year level) as outlined on the form.

Where permitted by the service provider, de-identified information will be used and/or efforts will be made to limit the amount of personal information disclosed and stored within online services (e.g., when registering accounts, only mandatory information will be disclosed).

#### *Student works*

Works might include materials such as student projects, assignments, portfolios, images, video or audio. Where student works will be created within, stored or published to the online service (in some cases, published information or works will be viewable by the public), this will be indicated in 'additional consent requirements' in Section 5 of the Online Services Consent Form.

#### *Parent information*

Where your personal information (e.g. parent email, name, contact details) will be disclosed to the online service, this will be indicated in the 'additional consent requirements' in Section 5 of the Online Services Consent Form.

### **Purpose of the consent**

Third party online services are used for various purposes. The purpose of use for each service is outlined in Section 5 of the Online Services Consent Form. For example, teachers may use online services with students to support curriculum delivery, complete learning activities and assessment, facilitate class collaboration, and create and publish class work (e.g. projects, assignments, portfolios).

The Online Services Consent Form records your consent for your child to register accounts, use, and, where specified, publish their work to these services. The form also collects your consent for school staff to collect, store, and transmit information to online services in order to manage school operations and communicate with parents and students.

It should be noted that, in some instances, the school may be required or authorised by the *Education (General Provisions) Act 2006* (Qld) or by law to record, use or disclose the student's personal information or materials without consent.

### **Voluntary consent provision**

It is not compulsory to provide consent. If your consent is not given, this will not adversely affect any learning opportunities provided by the school to your child.

### **Consent may be limited or withdrawn**

You can withdraw your consent at any time by notifying the school in writing (by email or letter). The school will confirm the receipt of your request via email if you provide an email address.

You may also limit your consent by providing consent for some, but not all, online services listed on the form.

Requests to limit consent in relation to how the 'Information covered by this consent form' and the 'Approved purpose' (Section 2 and 3 of the form) are applied to a specific service, will be treated as "do not consent", as the school cannot guarantee correct implementation of individual requests.

Due to the nature of the internet, it may not be possible for all copies of information (including images and student works that have already been disclosed or published) to be deleted or restricted from use if you request it. The school may remove content that is under its direct control, however, information and works that have already been disclosed and published cannot be deleted, and the school is under no obligation to communicate changes to your child's consent circumstances to online service providers.

#### **Duration of consent**

The consent applies for the period of time specified on the form. You may review and update your consent at any time by notifying the school in writing (by email or letter).

There may be circumstances where the school issues a new consent form to seek additional consent e.g. in the event that new online services are identified for use.

To return the form, express a limited consent, withdraw consent or ask questions regarding consent, please contact Kimberley Park State School via [admin@kimberleyparkss.eq.edu.au](mailto:admin@kimberleyparkss.eq.edu.au) .

## STUDENT RESOURCE SCHEME – Parent Information Letter

Dear Parents/Guardians

This letter includes important information about the fees and inclusions for the School Student Resource Scheme (SRS). To provide parents with a **cost-effective** alternative to purchasing textbooks and/or resources elsewhere, Kimberley Park State School operates a SRS.

### The SRS fee is:

Prep to Year 5	\$200*
Year 6	\$150 SRS + \$200 Laptop Hire Scheme*

Invoices are issued in November for the following school year. A minimum of \$100 must be received by 30 November. This enables the purchasing of stationery and resources for the start of the new school year. All SRS money needs to be paid by 31 March each year.

### For year 6, laptops are released to take home when the full \$200 hire scheme has been paid.

Once you join the scheme, your participation is assumed for the remainder of your child's enrolment at this school.

To join the scheme, please complete the participation agreement by ticking **YES** and return the completed form to the office. If you have previously joined the scheme (i.e. you have returned the participation form and been invoiced previously) but wish to withdraw, please complete a new participation agreement form, tick the **NO** box and return the completed form to the office for processing.

### What is provided by the by the Queensland Government?

The Queensland Government supports children's education by funding instruction (teachers) facilities (school grounds and buildings, internet) and administration (staff to run the school). Funding for schools does not extend to individual students' resources such as textbooks, equipment for personal use and many items used by the student in the classroom. The SRS helps parents to source these resources. The school can purchase resources at lower rates due to its bulk-buying power. Resources such as textbooks, musical instruments and laptops that will be used over a period of time are hired to students to further reduce costs for families. SRS also offers the same standard of resources.

### What does the Student Resource Scheme cover?

The SRS is an all-inclusive fee for each individual student for resources for the year. The overall amount is made up of four components:

#### 1. **Student Consumable Resources for Learning (\$90 per student)**

Consumables such as: exercise books, art supplies, glue sticks, pencils, pens, crayons, whiteboard markers, sharpeners, erasers, scissors, photocopy paper, display folders & student materials for classroom projects etc.

#### 2. **General Resources for Learning (\$40 per student)**

Decodable readers, big books, novels, classroom copies of text, classroom resources for literacy & numeracy activities, reproduce class workbooks & work sheets, student materials for classroom projects, subject resources i.e. art & craft supplies, science experiments and allows access to IT resources such as: floor robots, digital microscopes, etc. Prep – 5 allows access to shared class sets of iPads and Laptops

#### 3. **Online Subscriptions (\$45 per student)**

All of our online learning platforms have a yearly subscription fee that is required to be paid.

#### 4. **KP Specific Programs and Events (\$25 per student)**

This part of the resource scheme supports our extra-curricular programs that run throughout the year.

Please wait for an invoice to be issued before making payment by BPOINT or via the QParents app/website. Alternatively, payments may be made by instalments via Centrelink, if applicable (set up via Centrelink app).

Student resources will only be distributed to students once the full payment or minimum payment of \$100 has been paid. Parents with existing payment plans will continue with previous arrangements. Unpaid invoices will be managed according to the department's Debt Management Procedure and may result in the student being excluded from the scheme and/or from participating in extracurricular activities until payments are made.

**Please be aware your signature on this agreement to participate in the scheme deems you legally liable for the debt.**

### Return of hired resources:

A repair or replacement cost will be charged to the parent for any items that are damaged or not returned i.e. library books, musical instruments, laptops.

### Financial difficulty:

If you would like to participate but are experiencing financial difficulty, please contact the office to discuss options for setting up a payment plan. All discussions are confidential.

*\*Costs are correct as at 1 January 2024 and may be subject to change*

# Student Resource Scheme - Participation Agreement Form

## The Student Resource Scheme

The Student Resource Scheme (SRS) is a user-charging scheme operated by schools to provide parents with a mechanism to access individual student resources that are not funded by the government.

Government funding for schools does not extend to individual student resources and equipment for their personal use or consumption. Supply of these items, such as textbooks and personal laptops/iPads, is the responsibility of the parent.

The objective of the scheme is to provide parents a convenient and cost-effective alternative to individual supply of resources for their students. Participation in the SRS is optional, and no obligation is placed on a parent to participate.

Terms and conditions for participating in the scheme are provided on the reverse side of the form. Information is also provided on the Textbook and Resource Allowance (TRA) where applicable.

This Participation Agreement Form applies for the duration of a student's enrolment at the school, however parents who are participating in the scheme can choose to opt out from the SRS in future years by completing a new Participation Agreement Form. Any new Participation Agreement Form submitted annually and received by the school will supersede the previous form lodged.

Parents pay the annual participation fee in accordance with the selected payment arrangement. If a student joins the school mid-year, a pro-rata participation fee may apply.

Parents not participating in the scheme must provide their student with all items that would otherwise be provided by the scheme as detailed in the information provided by the school. Parents can choose to join the SRS in future years by completing a new Participation Agreement Form.

To assist schools in managing and administering the scheme, parents are requested to complete the Participation section of this form and return it to the school.

If parents have not completed and returned the form before the due date indicated by the school in the SRS Annual Parent Information documents, the school will take the view that the parent does not wish to participate.

## Payment

On agreeing to participate in the SRS, a parent agrees to pay the participation fee as advised and invoiced by the school. For families experiencing financial hardship, please contact the school as soon as possible to discuss options available.

## Participation

**YES** I wish to participate in the Student Resource Scheme. I have read and understand the Terms and Conditions of the scheme (see reverse) and agree to abide by them and to pay the annual participation fee in accordance with the selected payment arrangement. I understand that I can opt out of participation in the SRS in any year by completing a new Participation Agreement Form.

**NO** I have read the terms and conditions and I do not wish to participate in the Student Resource Scheme. I understand I must provide my child with all items that would otherwise be provided by the SRS as detailed in the information provided by the school. I understand that I can choose to join the SRS in future years by completing a new Participation Agreement Form.

- Reference to a “parent” is in accordance with the definition in the *Education (General Provisions) Act 2006* and refers equally to an independent student.

## Purpose of the SRS

- In accordance with the *Act*, the cost of providing instruction, administration and facilities for the education of students enrolled at state schools who are Australian citizens or permanent residents, or children of Australian citizens or permanent residents, is met by the State.
- Parents are directly responsible for providing textbooks and other personal resources for their children while attending school.
- The SRS enables a parent to enter into an agreement with the school to provide the resources as advised by the school for a specified annual participation fee.

## Participation in the SRS

- Participation in the SRS is optional and parents are under no obligation to participate.
- The school will provide parents with a list of resources supplied by the SRS to enable parents to assess the cost effectiveness of participation.
- Parents indicate whether or not they wish to participate in the SRS by completing this Participation Agreement Form.
- Parents must complete and sign the Participation Agreement Form and return it to the school by the advertised date.
- This agreement is for the duration of the student’s enrolment at the school, unless a new Participation Agreement Form is completed.
- Parents are given the option annually to choose whether to participate in the SRS or not by completing this form.
- Where a parent signs up to participate in the SRS they are agreeing to pay the annual participation fee for the items provided by the SRS.
- Payment of the participation fee implies acceptance of the SRS including the Terms and Conditions irrespective of whether or not the signed form has been returned.
- Where a student starts at the school during the school year, the parent may be entitled to pay a pro-rata participation fee to participate based on a 40-week school year.
- Where a participation fee has been paid and a student leaves the school during the year, the school must determine if the parent is eligible for a pro-rata refund. This will also take into account any pro-rata of the Textbook and Resource Allowance (TRA) (see Additional Information regarding TRA eligibility) and any outstanding SRS debts (including any debts from damaged or non-returned items). Where the cost of outstanding debts is higher than the calculated refund, the parent is liable to pay this balance of funds.

## Non-Participation in the SRS

- Parents who choose not to participate in the SRS are responsible for providing their student with all items that would otherwise be provided by the SRS to enable their student to engage with the curriculum.
- The school will provide non-participating parents with a list of resources the parents are required to supply for their child.
- All items included in the SRS must be able to be independently sourced, purchased and supplied by parents who choose not to participate in the SRS.
- As the SRS operates for the benefit of participating parents and is funded from participation fees, SRS resources will not be issued to students whose parents choose not to participate in the SRS.

## The Resources

- SRS funds received by the school will only be expended on student resources outlined in the school’s SRS and will not be expended on other items or used to raise funds for other purposes.
- In return for payment of the participation fee, the SRS will provide the participating student with the entire package of resources for the specified participation fee. It is not available in parts unless specifically provided for by the school in the fee structure.
- The resources, as determined and advised by the school may be:
  - retained by the student and used at their discretion; or
  - used/consumed by the student in the classroom; or

- hired to the student for their personal use for a specified period of time.
- All SRS resources hired to a student for their temporary use remain the property of the school. The resources must be returned by the agreed date or if the student leaves the school.
  - Parents are responsible for ensuring that any hired SRS resources provided for their child’s temporary use are kept in good condition.
  - The school administration office must be notified immediately of the loss or damage to any hired item.
  - Where a hired item is lost, not returned, or damaged, parents will be responsible for payment to the school of the value of the item or its repair.
  - The replacement cost of any resource may be up to the maximum value (subject to depreciation where appropriate) of the acquisition cost to the school.
  - Parents may be responsible for supplying their child with other resources not specified in the SRS as advised by the school.

## Payment Arrangements

- Payment of the participation fee may be made in whole, as per a nominated payment plan, or for another amount as approved by a Principal.
- Payment of the participation fee must be made as per the payment methods nominated by the school.
- Any concessions relating to the participation fee will be at the discretion of the Principal.

## Debt Management

- Payment of the participation fee is a requirement for continued participation in the SRS.
- Non-payment of the participation fee by designated payment date(s) may result in debt recovery action in accordance with the Department’s Debt Management Procedure  
<https://ppr.qed.qld.gov.au/pp/debt-management-procedure>

## Parents’ Experiencing Financial Hardship

- Parents experiencing financial hardship who are currently participating in or wish to participate in the SRS should contact the school to discuss options.
- Principals may vary payment options, negotiate alternative arrangements and/or waive all or part of the participation fee for parents experiencing financial hardship.
- The onus of proof of financial hardship is on the parent.
- The school may require annual proof of continuing financial hardship.
- All discussions will be held in the strictest confidence.
